 <p>June 2018 Network Call</p>	<h3>Dismantling Ageism</h3> <p>We're excited to welcome Kim Daly Nobbs as our featured expert for the June Network Call. In this provocative, self-reflective discussion, she'll explore subtle (and not-so-subtle) examples of ageism in our environments that we may overlook and learn how to shift paradigms and practices to better align with the self-possessed customers we seek to attract. We hope that you'll join us as Kim shares methods for uncovering bias in our organizations and for creating cultures that produce platforms for - rather than obstacles to - self-efficacy and successful aging.</p> <p><a href="#">Register Now!</a></p> <p><i>NOTE: The July Network Call has been moved to Tuesday, July 10<sup>th</sup> because of the 4<sup>th</sup> of July holiday.</i></p>
