What's Your Passion?

Heidi Wagner

Discussion Questions

- 1) What inspired you about the Passions Project?
- 2) How does your community highlight resident and team member passions?
- 3) How do you or can you encourage the quieter residents and team members to share their passions?
- 4) If you have watched both *What's Your Passion* and *Social Convoy Model*- how might you combine these two ideas in your community (a focus on individual passions and building convoys)?
