## *Social Convoy Model*

**Toni Antonucci, PhD**

### Discussion Questions

- 1) How does or could your community create a permissive culture of give and take?
- 2) How do you educate on the importance of interdependence?
- 3) How does your community permission and support residents to create new social convoys? How do you connect people with common interests?
- 4) Is there a need in your community to provide opportunities for men to have separate gatherings/opportunities?
